SUPPORTING COMMUNITIES: Resources to Help Navigate COVID-19 Policy Changes

As a human rights organization dedicated to equity and opportunity for all, the COVID-19 pandemic brings unprecedented threats to the individuals and communities we serve at Heartland Alliance.

Our team has been advocating at all levels for immediate and robust supports for low- and middle-income families. We have also created fact sheets to provide more information on the recent policy changes and supports that may be available to you and individuals in your community. We have resources on:
- Cash payments
- Unemployment
- Utilities & Evictions
- Student Loans
- Taxes & Banking
- Reentry Supports
- Public Benefits
- Debt Collections

View and share our factsheets today.

This is an especially challenging time for people who bear the brunt of our society’s economic, racial, gender, and other inequities. Families are struggling to make ends meet, while keeping their loved ones safe and healthy. We are dedicated to doing all we can to help support our participants, staff, and community during this crisis.

You can spread COVID-19 without having any symptoms at all. That is why it is so important to wear a mask, follow proper social distancing guidelines, and regularly wash your hands. #StayHomeSaveLives and help keep your entire community safe.
Help Community Action Partnership of Lake County continue helping families in need of the valued resources during this pandemic. We truly appreciate your support at this time!

Donations will support low income Lake County, Illinois residents.

The Community Action Partnership of Lake County team is committed to helping families in Lake County during this pandemic. We will continue to provide resources to low-income families and provide daily COVID-19 communication updates through our newsletter, website, and social media to the community. In addition, we are providing resources for those individuals and families who have applied and waiting for unemployment insurance but these families need help now! Call us today at 847-249-4330!

We encourage YOU to share with your family and friends to Stay Home and Save Lives in order to stop the spread of COVID-19. #StayHomeSaveLives
